

Hark! A traveler! Well met. I hope that today has brought you much luck and success! This folder is the portfolio of James Oden. Writer, author, poet, journalist, but most of all, storyteller. James is very passionate about telling stories, and it is what he wants to do for the rest of his life! He started small with poetry (A Knock), then he finished his first screenplay (Twisted Dreams), and now he is working on his first full-length novel (Evermore)! While yes, he still has much to learn as a writer, he has already great strides, and he has worked hard to ensure that his story and the stories of others will be told from now until the end of time! Enjoy this journey through the mind of one of America's greatest storytellers (hopefully)! James Oden.
